Experience

Our most popular JH Shooting Experience!!!

**Up to 3 Hours of Shooting Instruction and Fun
\$650 for 1st Shooter / \$200 per Additional Shooter**

Additional Coach & Shooting Bench for Groups with Over 5 Shooters (Required) and By Special Request = \$500

Firearm selection, up to 400 shots, paper and metal targets, eye and electronic hearing protection, private instructor, range fees, drinks, finger snacks, course set-up & clean-up and great opportunities for FUN are included in this most popular Shooting Experience. Simply dress for the weather and have a BLAST!

Following your safety briefing and within 15 minutes of arrival, your group will be firing your first shots, safely led by your friendly private instructor! EVERY EXPERIENCE IS DIFFERENT ~ We tailor each Shooting Experience based on each shooter's level of comfort and skill, number of shooters in your party, your goals and desires, etc. It's common to have shooters of varying shooting backgrounds ~ we'll meet you 'where you are' and are certain that you'll enjoy a tremendous variety of firearms and spirited adventure. Come Give it a Shot!!

While shooting for your first hour and a half or so, you will focus on the shooting fundamentals in a safe, uniquely educational and FUN style, the signature of Jackson Hole Shooting Experience! You'll learn to shoot or improve your accuracy, engage in speed competitions with our precise shot timer and get comfortable with your firearms and what you can do with them. You will fire up to 300 rounds through a variety of .22 caliber rimfire rifles and handguns which have little recoil, *some of which may include:*

- **Several Ruger 10-22s** in .22 caliber; semi-automatic rifles w/ red dot sight and a variety of scopes
- **Rossi** .22 caliber, break action with fiber optic sights
- **Henry** .22 caliber, lever action with aperture sights or scope
- **Smith & Wesson AR style carbine** in 22LR
- **Savage Mark II** .22 caliber, single shot bolt action with competition scope
- **Savage Mark I** .22 caliber, youth version with scope
- **Ruger or Colt Single Action Revolver** .22 caliber

- **Remington 700 Rifles** in .308, 300 WM, .223, 7 Rem Mag with scopes
- **Many more not listed above!**
- **(More firearms, including Desert Eagle .50 AE, and the ridiculously huge .50 caliber BMG rifle, are available at additional cost.)**

**Firearms used and the number of shots each shooter fires will depend on several factors including the number of shooters in your party and how quickly your group prefers to move through the challenges and instruction; a shooter will typically fire 12-24 guns during this Experience with us. Very slight body-frames may not be able to safely shoot the largest caliber firearms; your coach will advise when on the range. Firearms sometimes require servicing and a comparable or higher substitution may be made when necessary. Additional rounds to shoot downrange through your favorite firearms will be available on site for an additional cost per shot; see Ammunition Pricing Worksheet for market prices. There is shelter over-head for this outdoor Experience; please dress for the weather. Parties with more than 5 shooters require a second coach and shooting bench reservation for safety and pace; smaller groups may also enjoy a second coach/shooting bench to foster more trigger time for each shooter. We will charge your CC on file if you cancel within 72 hours of your scheduled Experience IF we cannot place another family or group with your secured coach & bench. One shooter will be firing at a time; you are encouraged to cheer & jeer your fellow shooters! We are a Private Instruction Company contracting use of the JH Gun Club shooting range; sometimes community, youth or law enforcement groups, etc, will host events which will supersede our scheduled reservations, not always with tremendous notice; we at JHSE will bend over backwards to reschedule your shoot to fit your schedule and/or secure an alternative location as available.*
